

# Advance your career with the University of Kansas.

Scholarships and discounts available for federal employees.

**KU** has partnered with the Greater Kansas City Federal Executive Board to provide federal employees scholarships and discounts for select KU academic and non-credit programs.

Whether you're interested in earning a bachelor's or master's degree, boosting your résumé with a certificate of specialization or learning new skills in our professional development programs, KU can give you the education you need to advance your federal career.

## Program Benefits:

**Top-quality academic programming** ideally suited for the federal workforce.

**Dedicated advisors, student services and academic support services** to help you succeed and meet your learning goals.

Scholarships equal to a **10 percent discount** on in-state tuition/MetroKC rate or **25 percent discount** on out-of-state tuition and a **10 percent discount** on many professional development programs.
