

Coaching and Mentoring for Leadership Success

Nov 2 & Nov 16, 9 AM - 12 PM PDT
\$125-\$199

Learn what really 'drives' employees today and how to coach and mentor in a way that inspires and creates a positive work environment.

About this event

This event is completed in two 1/2 day sessions, must attend both sessions to complete the seminar.

This event is completed in two 1/2 day sessions. You must attend both sessions to complete the seminar.

Employee performance is based on results. Your ability to get others to achieve results as a leader, having excellent coaching and mentoring skills, is crucial to help employees be effective at their jobs and motivate and inspire them to excel and grow. Learn what really 'drives' employees today and how to coach and mentor to inspire and create a positive work environment. In this highly interactive workshop, participants will learn tools and techniques to help them master coaching and then experience it hands-on in a safe and fun classroom environment.

What Will be Covered

- How to inspire employees using leading-edge approaches in a do-more-with-less environment
- Techniques to coach employees in a way that creates personal buy-in
- The 10 Best Practices to follow when dealing with challenging behaviors
- How to consistently create accountability and follow-through with employees
- The greatest secret to employee engagement
- How to implement graduated discipline practices that create the highest probability for employee success
