The coaching process is sustained through encouraging the coachee to take initiative, be proactive, and place urgency on tasks that lead to progress. Coaching isn't about giving advice, it's about having a dialogue in a safe space where both parties exchange perspectives and work to arrive at solutions and priorities that are beneficial to the coachee and the organization, cultivating respect, cooperation, and constructive communication. We enable teams to work with a common communication tool to listen and empower individuals and teams to work effectively toward mutually shared goals.
